How to prevent damage when excavating

- Identify where you want to dig
- Call Arizona Blue Stake
- Arizona Blue Stake notifies utility companies with your request
- Utility companies will respond to your request within 2 days
- Check your dig site before digging to make sure no utilities are in that area
- Blue Stake markings are valid for 15 working days
- If markings are destroyed for any reason, you must re-contact Arizona Blue Stake to get the site re-marked

For more information visit [Arizona Blue Stake](#) or call statewide: 1-800-782-5348
